The image shows a large green game board with a white background. On the left, a pink flower in a red pot is shown with labels: 'ЛИСТ' (leaf), 'ЦВЕТОК' (flower), 'СТЕБЕЛЬ' (stem), and 'КОРЕНЬ' (root). A fairy character with orange hair and a green dress stands next to it. To the right, a circular diagram illustrates the life cycle of a plant through six stages: 1. A seedling in a pot, 2. A seedling with roots in a pot, 3. A seedling with a stem and leaves in a pot, 4. A seedling with a stem and leaves in a pot, 5. A seedling with a stem and leaves in a pot, 6. A seedling with a stem and leaves in a pot. Below the main board is a smaller version of the same board, but with the life cycle diagram and labels replaced by blank white circles and boxes for a matching game. At the bottom of the smaller board are icons for 'КОРЕНЬ', 'СТЕБЕЛЬ', 'ЛИСТ', and 'ЦВЕТОК', along with icons for the different stages of the plant's life cycle.
